Project Title

Full title	
Acronym	
Lay title	

Funding Details

Total funding requested	£
-------------------------	---

Item (please add/delete as appropriate)	Description/Justification	Amount
Personnel		
Equipment		
Consumables		
Travel		
Dissemination		

Is this project receiving financial support from any other organisation? If so, what is the amount and duration of the funding?

Are you currently applying elsewhere for support of work that forms part of the proposal? If so, to which organisation and by what date is a decision expected?

Have you or your group been the beneficiary of a previous Pelican grant? If yes, please give the name of the project.

Details of Project

Lay Summary (max 250 words)

This is a key part of the application – our peer review panel has two lay members and the lay summary will also be used to inform the Pelican Board and charitable donors.

Executive Summary (max 300 words)

Please provide a concise summary of the project, its goals, expected outcomes and relevance to Pelican's research strategy.

Background and Rationale (max 500 words)

Explain the problem or gap in knowledge your project addresses. Include relevant data, literature or previous work.

Objectives (max 250 words)

List specific, measurable objectives that your project aims to achieve.

Methods (max 750 words)

Describe your research methods, intervention strategies or implementation plan

Impact and Evaluation (max 250 words)

How will this project improve outcomes for cancer patients or advance knowledge? How will success be measured?

Patient and Public Involvement (max 250 words)

How have patients, carers or members of the public been involved in the design and development of this project?

Ethics approval

Is REC approval required? If so, has this already been obtained? If not, what is the timeline for this approval?

Timeline

Please provide a Gantt chart or timeline of key milestones and deliverables

Signatures

Please note, applications cannot be accepted without **all** of the below signatures.

I confirm that I have read the Terms and Conditions applying to the Pelican Cancer Foundation awards and, if my application is successful, I agree to abide by them. I shall be actively engaged in, and in day-to-day control of, the project.

Signature of primary applicant	
Date	

I confirm that I have read this application and that, if granted, the work will be accommodated and administered in the Department in accordance with the Pelican Cancer Foundation's terms and conditions.

Signature of Head of Department	
Name	
Institution and Department	
Email address	
Date	

I confirm that the Institution will administer the grant, if awarded, and that the staff grading and salaries quoted are correct and in accordance with the normal practice of this Institution. I agree that no overhead costs will be taken from this grant.

Signature of Finance Officer	
Name	
Institution and Department	
Email address	
Date	

Please send the completed form along with **CVs for the primary applicant and chief investigator** by email to admin@pelicancancer.org
